

RESURRECTION STORY

Read

The resurrection story found in Mark 16 in a child-friendly version.

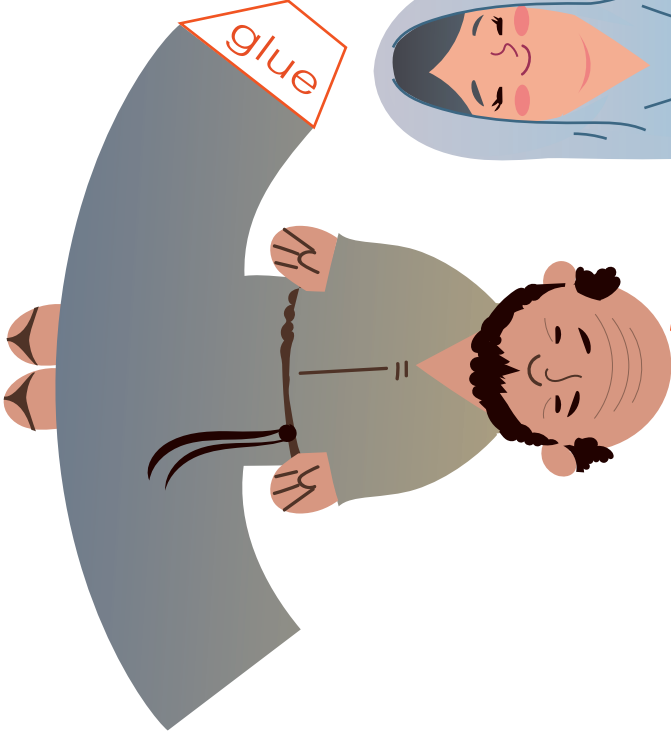

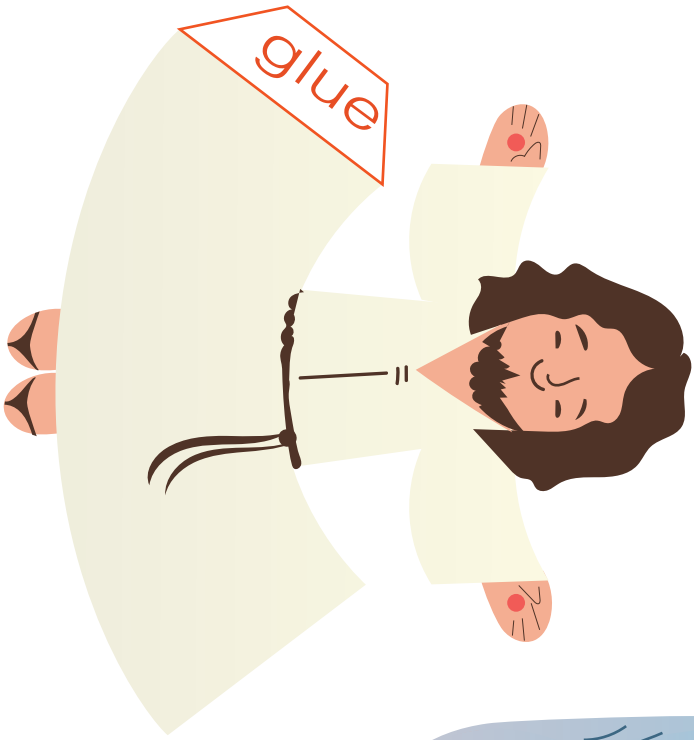

Do

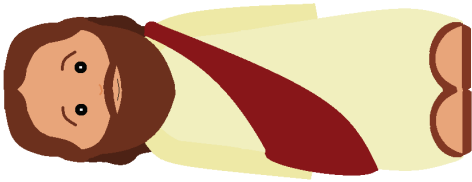

You'll need: cut-outs on the next page, glue and scissors.

Cut out the people images. There are 6 figures: Jesus, Mary, angel, Peter, and 2 guards. Once cut, loop the bottom part of each figure and secure with glue at the back. Fold out the feet. Your people should now stand up!

Talk

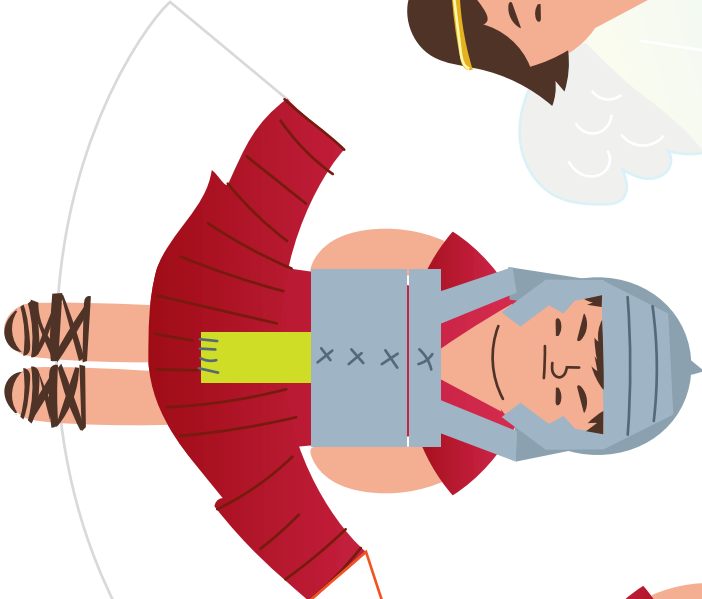

Talk through the story of the resurrection while the children play with the paper figures. You could use the tomb made in the "Rock Tomb" activity. Ask questions as you talk so that the children are able to interact with the story. Talk about which parts of the story you liked the least and which you liked the most and discuss why.
