

# 6 things

## THAT SHAPE THE FAITH OF CHILDREN AGED 8-10 YEARS:

- 1** Parents who model discipleship by sharing their personal faith stories and practices.
- 2** Family faith rituals and rhythms—prayer, Bible reading, and faith conversations including time to discuss life issues and worldviews.
- 3** Intergenerational relationships, e.g., hearing the faith stories of older believers.
- 4** Family service opportunities so they can identify and use their gifts to serve God and others—both at church and in the community.
- 5** Positive peer relationships within the faith community—Sunday Children’s Ministry, social events, discipleship groups.
- 6** Beliefs that are reinforced—use statements that reflect your beliefs, “In our family we…”
