

Church Activity

This document contains 3 building that can possible represent your church. Choose the one that you feel is most appropriate. Print copies so that each family can have one. The last page contains people and items that can possible be in the church building. Families cut out the church building, fold in half so it can open like a card. Families can cut out people and items to ad to the church as they see fit. They can also draw additional items if they like. Names can be given to the people inside the church.
