

Faith at Home Resource Idea:

Summer Bucket List

Otumoetai Baptist Church

How can we encourage our families to do some faith based activities over the long summer holidays? As a Christmas gift, we put together these summer buckets. Inside was a card – the Summer Bucket List - with some activities and challenges for families to complete over the holidays. All of the resources they would need to complete them were in the bucket – for example bubble mixture, pavement chalk, post-it notes, gel pens, a packet of seeds etc. We encouraged the families to tick the challenges off as they completed them and to take some photos for our family ministry facebook page. The content of the buckets and the lists can be adapted to your local context.

This was adapted from an idea from Deeper Kidmin – the Summer Family Challenge.

Email jan@obc.org.nz if you would like more information or would like to use and edit our Canva template.
